

Planar Helium PCT2265  
10-Point Multi-Touch

## Touch Screen Monitors for Any Application

Planar's comprehensive touch screen monitor lines meet the needs of a wide variety of applications.

### Planar Helium Series

Multi-touch desktop monitors bring the touch experience alive when paired with a Microsoft® Surface™, tablet or desktop PC. Planar® Helium™ Series monitors include a sleek, easy-to-adjust Helium or dual-hinge stand, USB Hub and a variety of video inputs, creating the ultimate touch experience on the desktop.
